

ALEX Connect gives employees a whole new way to engage with their benefits.

Allow employees to easily access all of their benefits information 24/7 with ALEX's smartphone app powered by STRIVE. This one-stop-shop leads to better benefits decisions by providing employees with the information they need at the moment they need it.

- ✓ **Access to ALEX** – Guide smart benefits choices directly in the app at enrollment and beyond
- ✓ **All things benefits** – Quickly connect employees to everything benefits related, including detailed plan info, benefits guides, plus the ability to store multiple ID cards
- ✓ **Push notifications** – Drive benefits engagement with segmented push notifications
- ✓ **Telemedicine & GoodRx integration** – Access telemedicine to connect to a virtual doctor or shop around to find the cheapest prescription prices
- ✓ **Financial management** – Centralize and access payroll, 401k, HSA/FSA, and everything related to financial well-being
- ✓ **Wellness tracker** – Put healthy living at the forefront and achieve goals by tracking steps, mileage and floors climbed

Help save time, money and headaches with ALEX.
